

Desk Organizer: Cactus

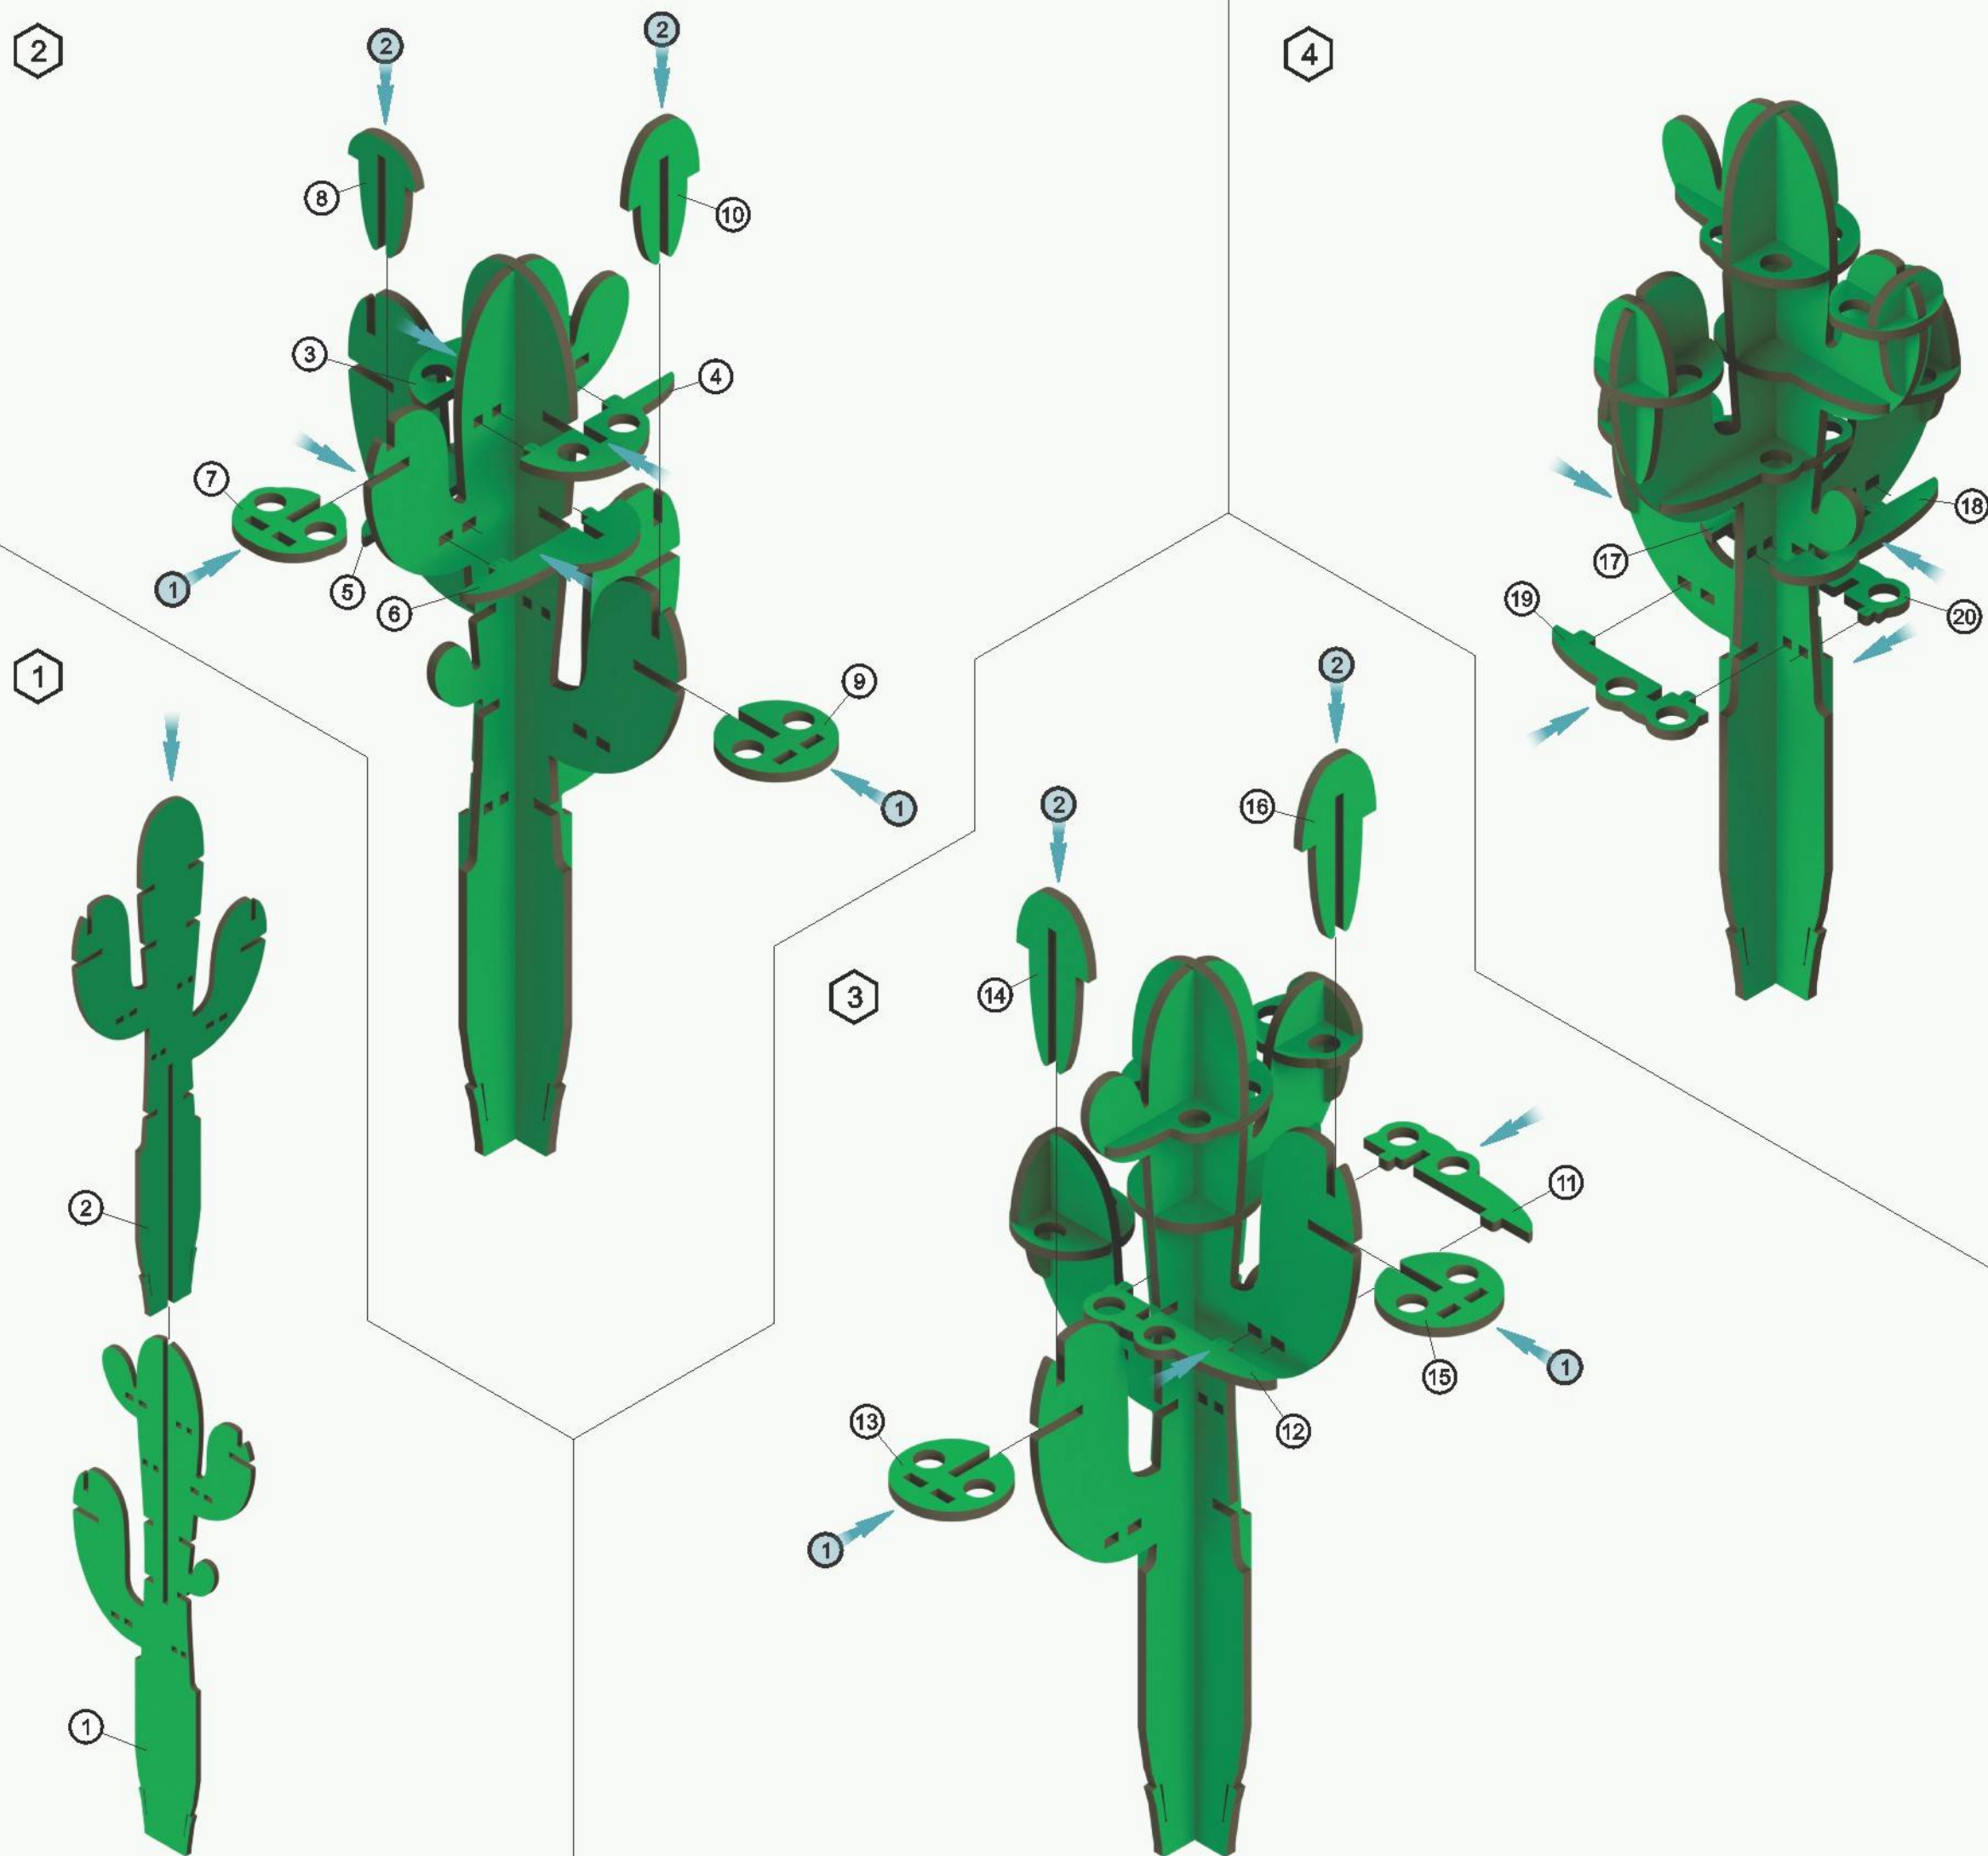

Diagram 6 shows the assembly of the top ring. A blue arrow points down to the top ring, which is labeled with a circled 23. The bottom ring is already assembled with internal cross-bracing.

Diagram 8 shows the assembly of the top structure. Two vertical wooden panels, labeled 27, are being attached to the top of the structure. A blue arrow indicates the direction of assembly.

Diagram 10 shows the assembly of the green structure onto the wooden base. The green structure is being lowered into the base, which has a central opening. A blue arrow indicates the direction of assembly. The base is labeled with the number 28.
